*September 28, 2020*

*I have been so blessed in my life to be a part of the outstanding individuals who are called "County Treasurers of the State of Oklahoma". While politics has never been my expertise or my goal, (and is still not) I have learned so many things from everyone around me. There is much wisdom in this group of people and I am humbled to be one of the seventy-seven.*

*I am looking forward to what the future holds for our CTAO. The slate of officers you have elected will serve you well. I will continue to serve as the past president for the next two years. I am unsure what this position looks like but if it is anything like being the "mother of the groom" (I have three sons), my duties will be to wear beige and keep my mouth shut. You knew there would be humor in this speech, didn't you?!*

*The most important thing I want to say is THANK YOU! Thank you for blessing me with the opportunity to serve as your CTAO President. Thank you for your encouragement and support. I am a better person for knowing each and every one of you.*

*Sincerely,*
